## Bi-Monthly Meeting Update

Until further notice, the Edward Davis Room is not available for our meetings.

We planned on reserving space at the [Amarillo Downtown Library](#), 413 SE 4th St, between Pierce and Buchanan. However, due to concerns surrounding Corona virus exposure it is **not available at this time**. We HOPE to be able to schedule a LIVE meeting in September.

For July, Candace Havens joins us for a virtual program - topic TBD. We will send out a follow up email with details on how to join Candace or watch her video.

Our June workshop was so much fun and successful, we have another planned for July. Kim Black will discuss the journey of getting a book from the page to audio. COOLNESS! Time and date TBD.
